DG RTD published a SWD on Technology Infrastructures

On 8 April 2019 the European Commission – Directorate-General for Research and Innovation (DG RTD) published a [Staff Working Document \(SWD\) on technology infrastructures](#). Technology infrastructures require high investment both in the set-up and in the keeping up with the state-of-the-art, relying upon a mix of private and public (national and EU) funding. EARTO very much welcomes this EC effort to highlight such important topic.

SAVE THE DATE: EARTO Policy Event and Innovation Awards Ceremony 2019 – 8 October 2019

EARTO organises its [Policy Event](#) and [2019 Innovation Awards](#) on 8 October 2019 from 09.30-14.00 at the [Royal Museums of Fine Arts of Belgium](#) in Brussels. Six RTOs' innovations will be rewarded, during the Innovation Awards Ceremony, on two categories: Impact Expected and Impact Delivered. A dedicated EARTO Task Force made a pre-selection of the best submissions from the 24 received applications, which was forwarded to our external jury for evaluation and final selection. All the innovations will be published in the 2019 edition of the EARTO Innovation Awards brochure and on the [new EARTO website](#). The winners of each category will receive a trophy and the other finalists will receive a certificate.
